

ENGINEERING PEER TUTORIAL SERVICE TUTOR APPLICATION

U2 and U3 students are encouraged to apply for a position as an engineering peer tutor. The Engineering Peer Tutoring Service (EPTS) is overseen by the Faculty of Engineering. Peer tutors provide help to U0 and U1 students in their introductory classes. Responsibilities include weekly office hours (three hours every week) and 1-2 midterm and final review sessions.

Please attach your unofficial transcript and CV.

Mechanical Engineering Tutor ____ (MECH 210, MECH 220)

Departmental tutors are required to have an A- or above in listed courses.

Name: _____

Phone number: _____

Email: _____

Year (e.g. U2): _____

Department: _____

Please indicate why you think you would be a good tutor. You may wish to expand on any experience related to teaching or tutoring.

Why do you want to get involved in the Engineering Peer Tutoring Service?

What other activities (school or work related) are you involved in this year?

Please indicate your availability for the coming semester below:

Please submit this completed form, along with your unofficial transcript and CV to the EUS office, McConnell 7, **by Thursday, September 9, 2010, at 3:00.**

Successful candidates will be contacted for an interview. Should you have any questions, you can contact Prof. Siva Nadarajah at siva.nadarajah@mcgill.ca, or the EPTS manager, Mélanie Tétreault-Friend, at melanie.tetreault-friend@mail.mcgill.ca.

During the interview, you will be given the opportunity to detail the points on your application form. You will also be asked questions specific to the curriculum that you have applied to tutor, e.g. basic theory questions.

Thank you for applying!
